HOLY TRINITY CATHOLIC HIGH SCHOOL

Welcome to Holy Trinity Catholic High School - **Home of the Titans!**

Holy Trinity has been serving the families of Haldimand Norfolk since 2001. We are proud of our rural roots and the deep connection we have to the local community and parishes. We are also proud of our students – both current and alumni - who serve as excellent ambassadors of our Catholic Education system.

Our caring and compassionate staff is committed to providing students with excellent learning opportunities both in and out of the classroom.

Academic Achievement and Specialty Programs

Holy Trinity is the highest-ranking local high school by the Fraser Institute.

We offer an **Extended French** program that allows students to complete 7 credits in French instruction throughout their high school journey in various classes. French instruction is currently offered for Grade 9 Geography, Grade 10 History, and Grade 11 World Religions.
